

## **PRODUCT PERFORMANCE CERTIFICATE**

We are pleased to appreciate that we are using @ 450 Nos of various types of 'Eetamax' brand Energy efficient LED fittings since last two years in our Mittal Happy Cows Dairy Farms LLP which is developed in 85 Acres of area in Vadgaon Maval, Lonavala.

All the facilities in our Desi Cow farm are developed as per the international standards. Eetamax has supplied the LED fittings with special Colour temperature which creates daylight atmosphere & keeps the cows healthy & fresh.

The lux levels, light quality are maintained since last two years.

We are very much satisfied with the performance of the 'Eetamax' LED fittings & wish all the best for their future endeavours.
