

CERTIFICATE

This is to certify that we are using 'Eetamax' brand LED Lighting Systems in our plants since last 5 – 6 years.

We are using Eetamax Flameproof well glass fittings in chemical hazardous zones & Eetamax Cleanroom retrofit solutions for Top Openable & Bottom Openable 2ft x 2ft Cleanroom fixtures.

Eetamax has also supplied customized products of particular CCT required for special applications in our pharmaceutical manufacturing process. These customized products were not available with any of other lighting suppliers / manufacturers.

Ours being a continuous process industry, reliability of light fixtures is of prime importance to us. We choose Eetamax because of their firm commitment about the reliability of their products.

Their products have proven to be most energy efficient & reliable against other reputed brands.

We are satisfied with the performance of the 'Eetamax' brand Lighting Systems.
